

“Name’s” Profile :

Just some text written by the user for the people reading (kinda like a bio). Or maybe even some post made by the user if we would like to go down that route.

<----- just basic info on the person that the website shares with people viewing his page.

Hey there!

Sufian Hassan

Hey sister, how are you?

Ashley Grace

I'm great, as always!

Sufian Hassan

How's your vacation in Hawaii going?

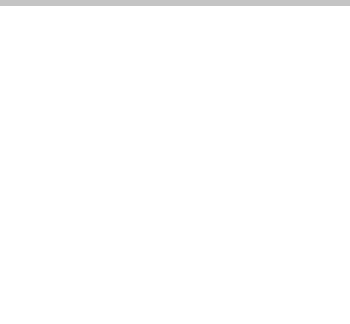

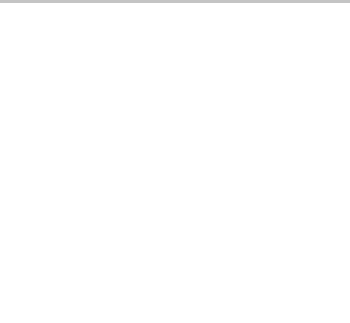

Ashley Grace

It's awesomeeee I have so much to tell you!

Sufian Hassan

Nice, let's video chat! Haven't seen you in a while...
